

Trail Safety

Trails are Open Dawn to Dusk

Don't be caught in the dark – carry a flashlight with you.

Use the Buddy System

If you choose to be out alone, be sure someone knows where you will be at what times. Children under 11 should not use the trails without adult supervision and teens should always have a buddy.

Be Sure Your Cellphone Location Feature is on

Location services will make it easier for emergency personnel to find you if there is an accident.

Wear Proper Safety Equipment

Be sure you are visible with bright clothing, lights and reflectors. Always wear a helmet when riding a bicycle.

Lock Your Parked Car and Keep Valuables Out of Sight

Be Aware Of Your Surroundings

No Motorized Vehicles Are Allowed on the Trail

Only motorized wheelchairs, maintenance and rescue vehicles are permitted on trails. Report all others to 911.

Keep Right and Yield the Right of Way

Stay on the right side of the trail. Skaters, joggers and bicyclists yield to pedestrians; all users yield to horses.

Be Aware of Your Speed

The B&O Trail speed limit is 12 mph.

Stay On the Trail

Do not disturb the trail's surrounding vegetation to protect the trees, plants and wildflowers.

Don't Litter

Remember: pack in and pack out. Respect the trail environment by properly disposing of items.

Keep Pets on Short Leashes

Protect your pet and others by keeping them on a leash. Remember to clean up after your pet.

No Horses on Paved Trail Except Where Permitted

Report Suspicious Activity - Call (317) 852-1100

Call 911 in Case Of an Emergency

Report Unsafe Trail Conditions

Call Brownsburg Parks at (317) 858-4172
