The Redevelopment Commission is working to ensure the growth of the Town by bridging the gap between where the Town has been and where the Town is going.

The Town of Brownsburg acknowledges its responsibility to comply with the Americans with Disabilities Act of 1990. In order to assist individuals with disabilities who require special services (i.e. sign interpretive services, alternative audio/visual devices, and amanuenses) for participation in or access to Town sponsored public programs, services, and/or meetings, the Town requests that individuals make requests for these services two business days ahead of the scheduled program, service, and/or meeting.
