BROWNSBURG FARMERS MARKET NON-PROFITS DAY AUG. 27

The Town of Brownsburg and Brownsburg Parks invite local non-profit organizations to register for a 10' x 10' booth at the August 27 Brownsburg Farmers Market. The goal is to share the non-profit's mission with the community.

Hundreds of local residents visit the Farmers Market each week. Held on the Town Hall Green at 61 N. Green Street from 4-7 p.m., the Farmers Market is a great opportunity for non-profits to help educate community members about how they benefit the town and state.

Participants must bring their own table, chair(s), and canopy (recommended, but not required). Location assignments will be provided to registrants on Tues., August 25 via email.

To register, go to <https://forms.gle/voKenVYJzS9u8PNJ6>.

Deadline to register is August 21.
