

Help Keep Brownsburg Beautiful!

Is your homeowners association, neighborhood group or civic organization looking for a way to help keep Brownsburg litter-free? The Town's Wastewater Department can help!

Groups can be as small as two or as many as 50. You'll receive safety vests, gloves, sanitizer, trash bags, trash grabbers – all the supplies you'll need for your cleanup project. There are even T-shirts available (on a first come, first-serve basis while they last).

Contact Wastewater Superintendent Kathy Dillon at kdillon@brownsburg.org for more information.
