

## September Road Work

Road work underway in Brownsburg this month includes:

- The Hendricks County Highway Department will be working on CR 200 N between Avon Ave and CR 600 beginning Sept. 28. The road will be closed for 45 days, and the project is expected to be completed within 60 days.
- Miller Pipeline will be working on S. Green and Main St. for one week beginning Sept. 21 to repair sidewalks and install asphalt.

Please use caution in both areas. Slow down and keep an eye out for workers.
