

Leaf Collection Begins October 12

Leaf collection in the Town of Brownsburg begins Monday, October 12. The Street Department circulates through town Monday through Wednesday (Thursday and Friday are used if weather or other factors delay the regular schedule). The routes alternate every other week. When a holiday falls on Monday, the route will begin on Tuesday.

Residents do not need to call to request leaf collection.

Leaves should be placed in a recyclable brown bag with the top taped shut -- not stapled. Leaves in plastic bags will not be picked up, even if you place the plastic bag in a recyclable bag.

Keep leaf bags separate from your trash pickup. Please do not add trash, mud, grass clippings, mulch, animal waste, etc. with your leaves. Have bags outside by 6 a.m. on date of pick up.

ROUTE 1
